

Lesson 1 - The Person of God

God is Persons, just as we are persons. He created us in His own Likeness, His likeness but, with differences. Let's look at what The Bible, the very Word of God says.

Sword Drill: Exodus 34:6-7

Let's look into Gods Word at the nature and the person of God:

The Bible says that God is one in nature, and three in Persons. This is called "The Trinity". This is like one family with three family members. Each has a vital role to play and neither acts superior to the other. They serve and Love each other perfectly, and in complete Unity.

Trinity Calculation

$$1 \times 1 \times 1 = 1$$

Man is many, whereas God is THREE in ONE

The First person is named "God the Father"

He is the draftsman. He draws all of history into His one great plan. There are no errors with God in His beautiful picture, because He designs everything perfectly

The Second Person of God is Named "God the Son"

He takes the great plan of His Father, the designer of all things. Just like the builder, He builds exactly to the design specifications. He creates (makes) everything perfectly

The Third Person of God is Named "God the Holy Spirit" He takes The Plans and explains them to all people, like you and me. He posts them in Gods bulletin board called The Bible. God the Holy Spirit shows us Gods plan. If we will listen!
